## Tell us about your event...

With over 20,000 events and counting, we love sharing Cornish events with locals and tourists alike. If you have an event you'd like to promote, just fill out the form below to get your event on our website and in our magazine. Once you've submitted your event, we'll moderate it and send you a confirmation email to tell you it's gone live.

Our next deadline for listing your June, July and August events will be Monday 7th May.

**Start your submission**

**You have three options to list your event:**

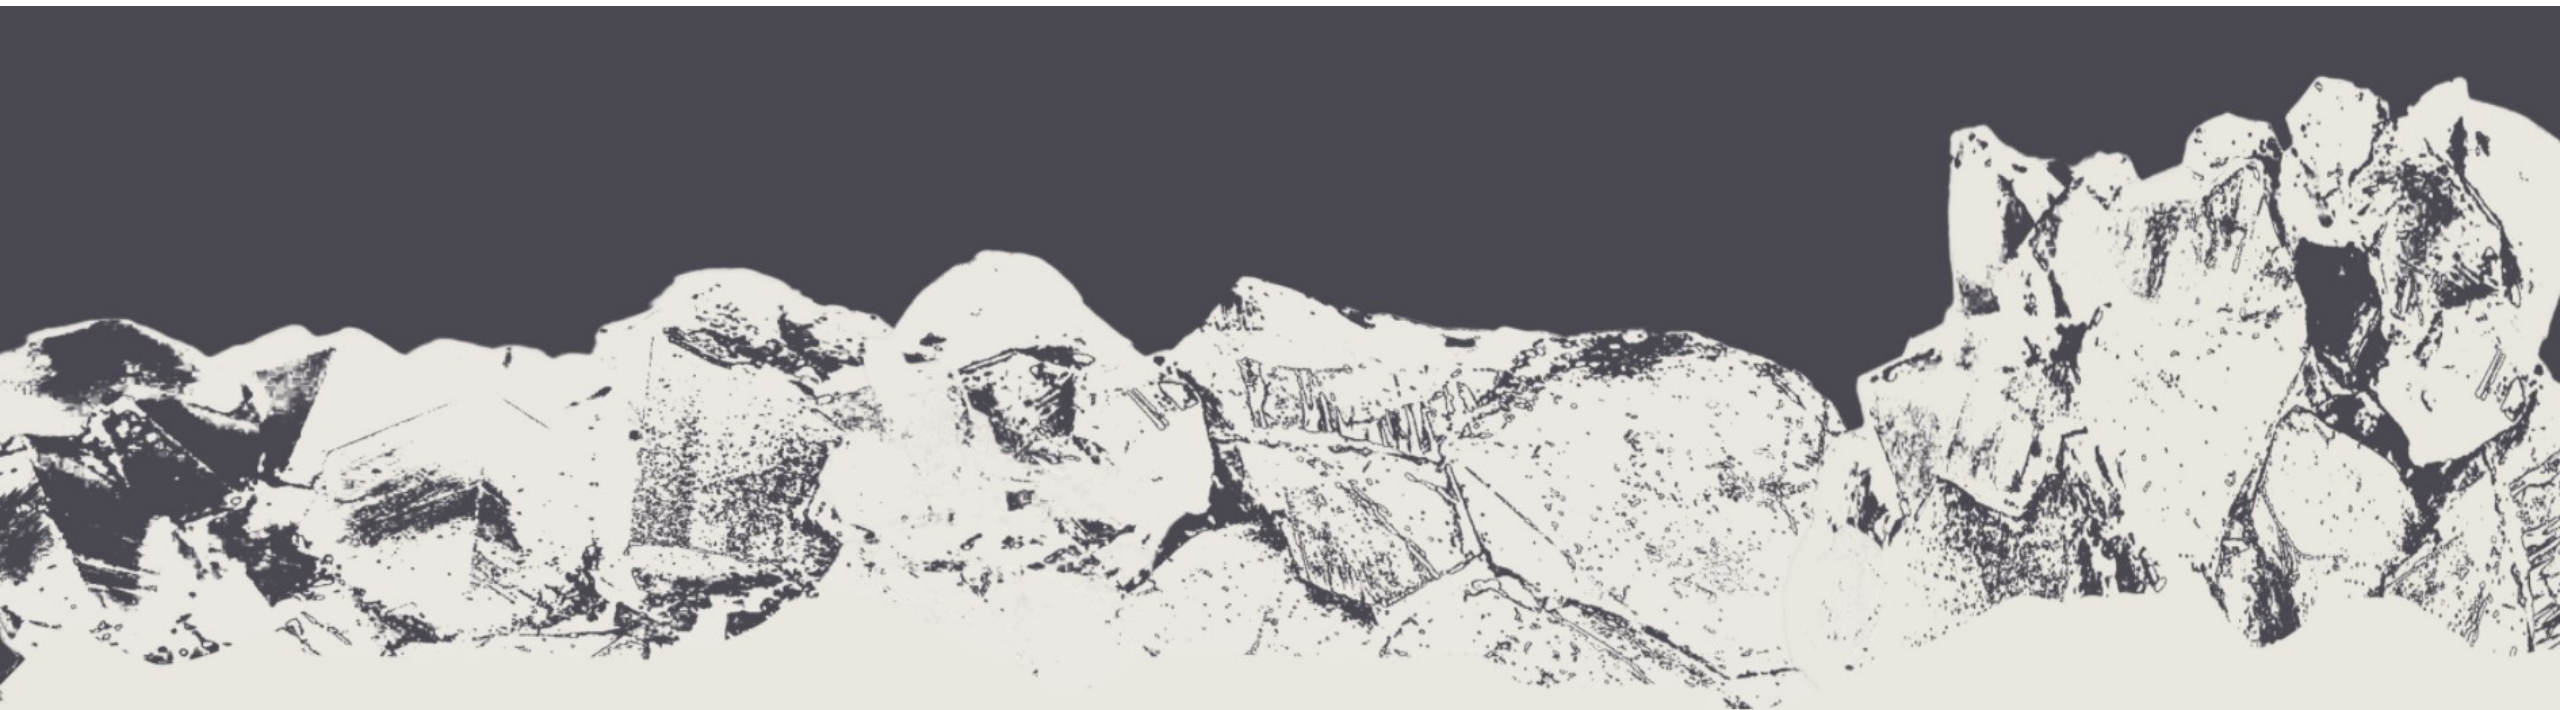

“Regenerative Tourism is not anti-growth; it simply asks that we grow things that matter most to us in ways that benefit the entire system and never at the expense of others.”
